

Dear Patient,

Thank you for choosing Seacoast Hand Therapy to provide your Physical and/or Occupational Therapy needs. Seacoast Hand Therapy is a specialized practice that focuses on treatment of the hand and upper extremity conditions as well as lymphedema management. The combined care of our professional team strives to provide the highest standard of individualized care in a one-on-one setting for each patient.

Enclosed, please find our Patient Demographics form, directions to our facility, and other important information regarding medical insurance participation. Please take some time to read and complete these forms prior to your first appointment at Seacoast Hand Therapy. Bring the completed forms and your insurance card with you to help us streamline your registration process upon your arrival at our office.

In consideration for the health and comfort of our patients and staff with allergies and sensitivity to chemicals in fragrances, we ask that you refrain from wearing perfumes, colognes, and any scented products while in this office. We thank you in advance for your cooperation.

If you will be late or are unable to keep an appointment, please call us as soon as possible @ 303-3030. A sincere attempt is made to adhere to our appointment schedule. Our therapists provide care in a one-on-one setting, therefore, a late arrival could significantly hinder the time needed for a complete treatment session.

We have included an “outline” that will be helpful when you are verifying your insurance coverage and the benefits available to you for Physical & Occupational Therapy. We thank you for your time and look forward to meeting you.

Sincerely,

Seacoast Hand Therapy Staff

Jennifer Schubert, PT, CHT, *Practice Owner*
Ann Stanton, OTR/L, CHT, CLT-UE
Hilary Hayner, OTR/L, CHT, CLT

Vickie-Lynn Saulsbury, *Practice Coordinator*
